TEAM MASCHIO'S

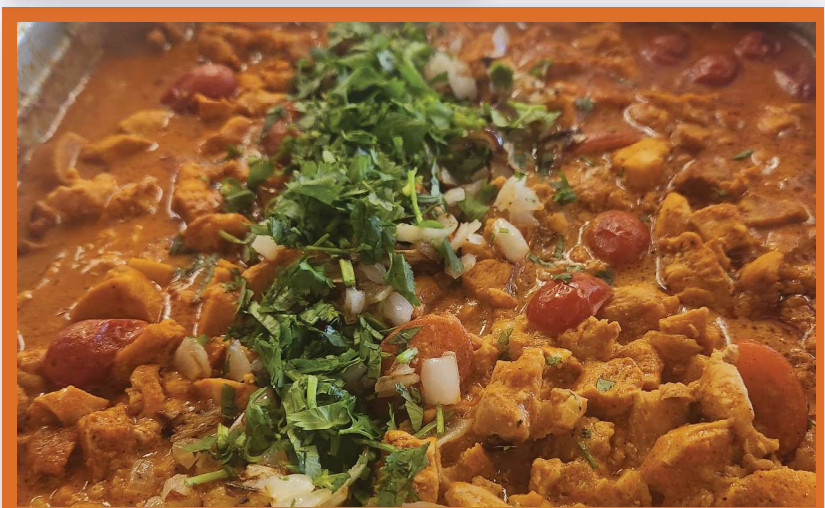

WELCOME CHEF ELI DEATON TO THE MEMPHIS TEAM!

Eli joins us with over eight years of NSLP experience in both New Jersey and Pennsylvania charter schools. With a strong restaurant background, he will focus on customer satisfaction and ensuring that menus are developed with student preferences in mind.

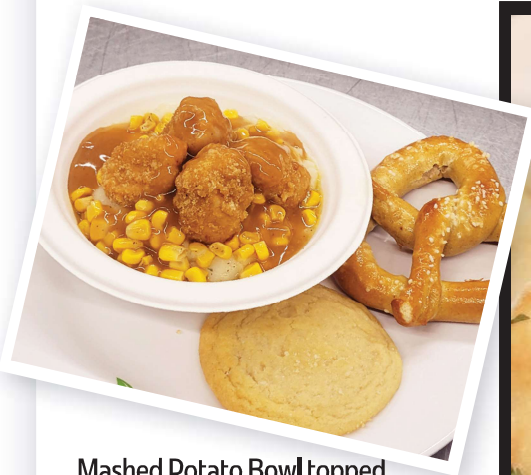

Eli will be working closely with the Memphis team to ensure our students have an excellent experience in the cafeteria.

On Monday, December 8th students enjoyed a Ramen Bar. Options included Chicken, Beef or Hard Boiled Egg with Szechuan Broccoli and an Egg Roll.

In October, Chef Igor prepared Chicken Tikka Masala and Chickpea Vindaloo with Spiced Naan for students.
