251 STUDENTS EXPERIENCING HOMELESSNESS

Authority

The School Reform Commission recognizes the need to promptly identify students experiencing homelessness within the District, facilitate their immediate enrollment, and eliminate existing barriers to their attendance and education, in compliance with federal and state laws and regulations.[1][2][3]

The SRC shall ensure that students experiencing homelessness have equal access to the same educational programs and services provided to other district students.[1][2][3][4]

The SRC authorizes the Superintendent to waive District policies and administrative procedures that create barriers to the identification, enrollment, attendance, transportation, school stability and success in school of students experiencing homelessness. [3]

It is the policy of the SRC that no student shall be discriminated against, segregated or stigmatized based on his/her homeless status.[5][6]
