Good Nights Pajama Drive

A Caring School Community Project

Run by

Tacony Academy Kindergarten

Help us give the gift of a good night's sleep!

Our Kindergarten students are leading a pajama drive, and we need the whole school's help! Families from Grades K–8 are invited to donate new pajamas for children in need right here in our community.

Your donation will help children who are:

- Surviving house fires or natural disasters
- Living through family illness or the loss of a home
- Victims of abuse or trafficking
- Experiencing homelessness
- Receiving care at Children's Hospital of Philadelphia (CHOP) or St. Christopher's Hospital for Children during extended hospital stays

A new pair of pajamas can bring comfort, hope and a little bit of happiness to a child during a very difficult time.

WHAT TO DONATE:

- New pajamas (complete sets)
- Sizes: Newborn to Size 16
- Boys and Girls
- Please leave the store tag on if possible.

DATES:

Monday, November 2, 2026 – Friday, December 4, 2026

Let's fill our school with pajamas!

ORDER ONLINE:

Want to make it even easier? Scan the QR code below to visit our Amazon list.

Pajamas purchased on Amazon will be shipped directly to our school. Please include your child's name on the gift card.

Thank you for helping our Kindergarten students make a **BIG** difference in the lives of local children. Together, we can give the gift of comfort, kindness and brighter tomorrows.

Dear Families,

Sometimes, something as simple as a new pair of pajamas can help a child feel cared for during a very difficult time.

Our Kindergarten students are hosting our schoolwide **Pajama Drive from Monday, November 2, through Friday, December 4,** and we are inviting all families in grades K–8 to help. Together, we hope to bring warmth and comfort to children facing circumstances no child should have to experience.

All donated pajamas will stay local and help children right here in our area. Your donations will go to programs supporting children who have lost their belongings due to fire or flood, children who have experienced abuse or trafficking, and children facing the uncertainty of homelessness. They will also reach children living with long-term illnesses who are receiving care at CHOP, St. Christopher's Hospital, or in hospice.

We cannot take away everything these children are going through, but we can remind them that someone is thinking of them. A new pair of pajamas is a small gift that can offer comfort at the end of a difficult day.

We are collecting new pajamas in sizes ranging from newborn through size 18, as well as adult sizes up to Large. Each donation must be a complete set. Please leave the tags attached, if possible.

For your convenience, the attached QR code will take you directly to our Amazon wish list. **Pajamas purchased through our list will be shipped directly to school.** If you purchase pajamas through the QR code, please include your student's name in the gift message so we know whom to thank!

We understand that these are difficult financial times for many families. Please know that there is no pressure to give. If your family can donate even one pair, it will make a difference for a child. Sharing our wish list with friends or relatives who may wish to help is another way to support the drive.

Thank you for helping our youngest students learn that kindness can reach far beyond our classroom walls. Your generosity will help us send a little comfort—and a reminder that someone cares–to children in our own community.

With gratitude,

Kindergarten
