

Great news, APS Families: We've got a new middle school ELA curriculum, and we would love to tell you all about it!

This year, middle school teachers at all of our campuses will be using **Fishtank Learning ELA**. This exciting new program will have our students reading, writing, and discussing every day as they explore diverse, relevant, and rigorous texts.

As with any big change, we want to make sure you are informed. So, we invite you to join us for a virtual Family Info Session on **September 25, 2025**. At this session, you can learn more about the program, hear about the books, units, and topics students will explore, and get practical and easy-to-use strategies that you can use to support your child's literacy development at home!

To accommodate different schedules, we will hold two different sessions that day.
Please see below for more information:

Daytime Session - 11:30 AM - 09.25.2025		Nighttime Session - 6:30 PM - 09.25.2025
